About Skyve

Featuring an all-day wine and dine concept open for breakfast to after-dinner drinks, the wine bistro offers three different spaces perfect for any occasion. Those inclined towards a quick tippie can opt for the alfresco area, while the indoor area comprise of the main dining hall with mismatched classroom-like chairs and a lounge area with long benches to reflect its "old school" character.

Collapsible dividers open up to combine all three areas for a larger event space ideal for birthday celebrations, engagement parties, intimate weddings, corporate events and product launches. Skyve's location is just minutes from Orchard Road, tucked away in a charming and discreet nook for a quiet refuge from the city bustle.
